EDU AND THE BEST HOUSE EVER

LET'S HELP EDU

To build a house is not an easy task.
It needs many people and a collaborative work.
Other than architects, for example, we also need
a painter for the walls. Who else do we need?

And why do we need those people?

Imagine that you are the coordinator for Edu's dream
house and make a list of all the people you need.

EDU AND THE BEST HOUSE EVER

SEARCH

What is the difference between weather and climate?
Let's search and write our findings.

EDU AND THE BEST HOUSE EVER

MATCH

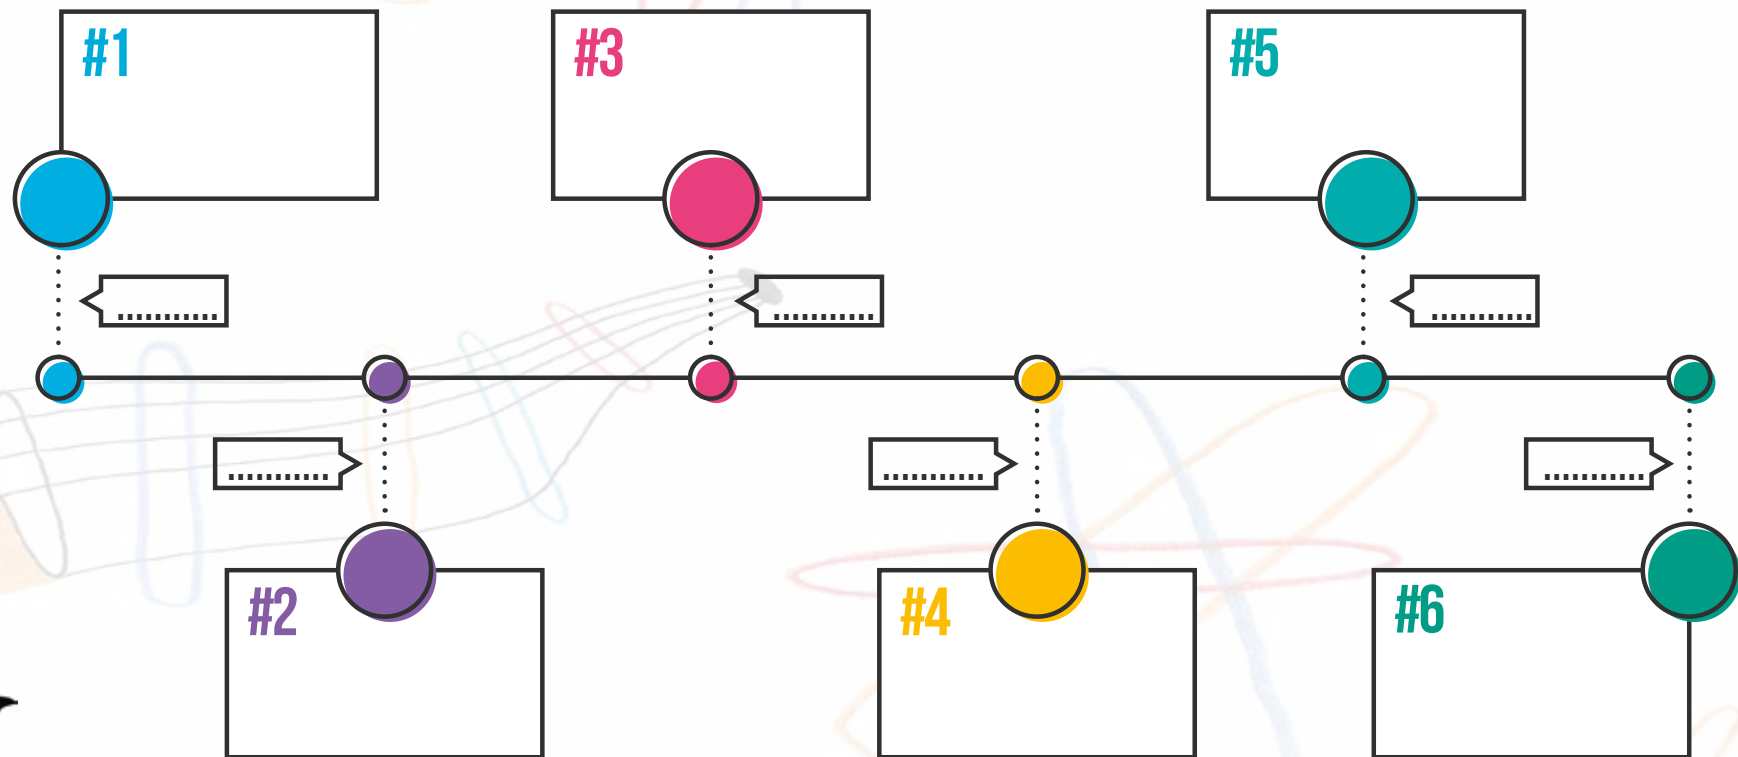

Types of the houses and their building materials change because of different climates and lifestyles. Let's match the houses with the climate or the lifestyle. Try to write the names of the type of the house.
